

The page is framed by various tropical plants. At the top, there are palm fronds and clusters of small green berries. On the right side, large Monstera leaves with characteristic holes are prominent. On the left side, there are more palm fronds and a large Monstera leaf. At the bottom, there are more palm fronds and clusters of small green berries.

Vert, une histoire dans la jungle

Récit à partir de la découverte de l'album
de **Stéphane Kiehl**

par la classe ULIS du collège Pierre Darasse, Caussade

The image features a decorative border of various tropical plants. In the top-left corner, there are palm fronds and a branch with small green berries. The top-right corner shows large, dark green monstera leaves with characteristic holes. The bottom-left corner contains a large monstera leaf and a feathery fern frond. The bottom-right corner is filled with more monstera leaves and a palm frond. At the bottom center, there are two small branches with clusters of green berries. The central text is set against a plain white background.

**Je me souviens parfaitement du jour
où nous sommes arrivés dans le vert,
dans cette étendue vierge et belle.**

The page is framed by various tropical plants. At the top, there are palm fronds and a branch with small green berries. On the right side, there are large, heart-shaped monstera leaves with characteristic holes. On the left side, there are more palm fronds and a large monstera leaf. At the bottom, there are more palm fronds and a branch with small green berries.

Nous avons marché.
Nous avons vu des arbres noirs et verts.
Il y avait au loin de l'eau pour boire.
On devait traverser des pierres, des buissons,
des rivières et des falaises.
Nous avons grimpé aux arbres avec une liane.

The page is framed by various tropical plants. At the top, there are palm fronds and a branch with small green berries. At the bottom, there are more palm fronds and a branch with small green berries.

Ici, tout près de la rivière,
Nous avons coupé du bois pour construire une maison.
Nous ramassons des bananes pour nous nourrir le soir.
Nous avons construit un pont pour aller sur l'autre rive
et nous avons pêché. **Ici, dans le vert.**

The image features a decorative border of various tropical plants. In the top left, there are palm fronds and a branch with small green berries. The top right is dominated by large, dark green Monstera leaves with characteristic holes. The bottom left shows a large, light green fern frond and a Monstera leaf. The bottom right contains more Monstera leaves and a palm frond. At the bottom center, there are two small branches with green berries.

Dans cette nouvelle vie,
il y avait plein d'animaux, petits et grands,
dans la jungle, terrible jungle.

The image features a decorative border of various tropical plants. In the top left, there are palm fronds and a branch with small green berries. The top right is dominated by large, dark green Monstera leaves with characteristic holes. The bottom left shows a large green leaf and a palm frond. The bottom right features more Monstera leaves and a palm frond. In the bottom center, there are two small branches with green berries. The background is plain white.

Les singes montaient sur nos épaules,
sur nos têtes, sur les branches
et on les a suivis pour trouver d'autres fruits.

The image features a decorative border of various tropical plants. In the top-left corner, there are palm fronds and a branch with small green berries. The top-right corner is dominated by large, dark green monstera leaves with characteristic holes. The bottom-left corner shows a large monstera leaf and a palm frond. The bottom-right corner features another large monstera leaf and a palm frond. At the bottom center, there is a small branch with green berries. The background is a light, textured beige color.

Autour d'un feu, nous avons dansé
la danse du feu des Indiens.

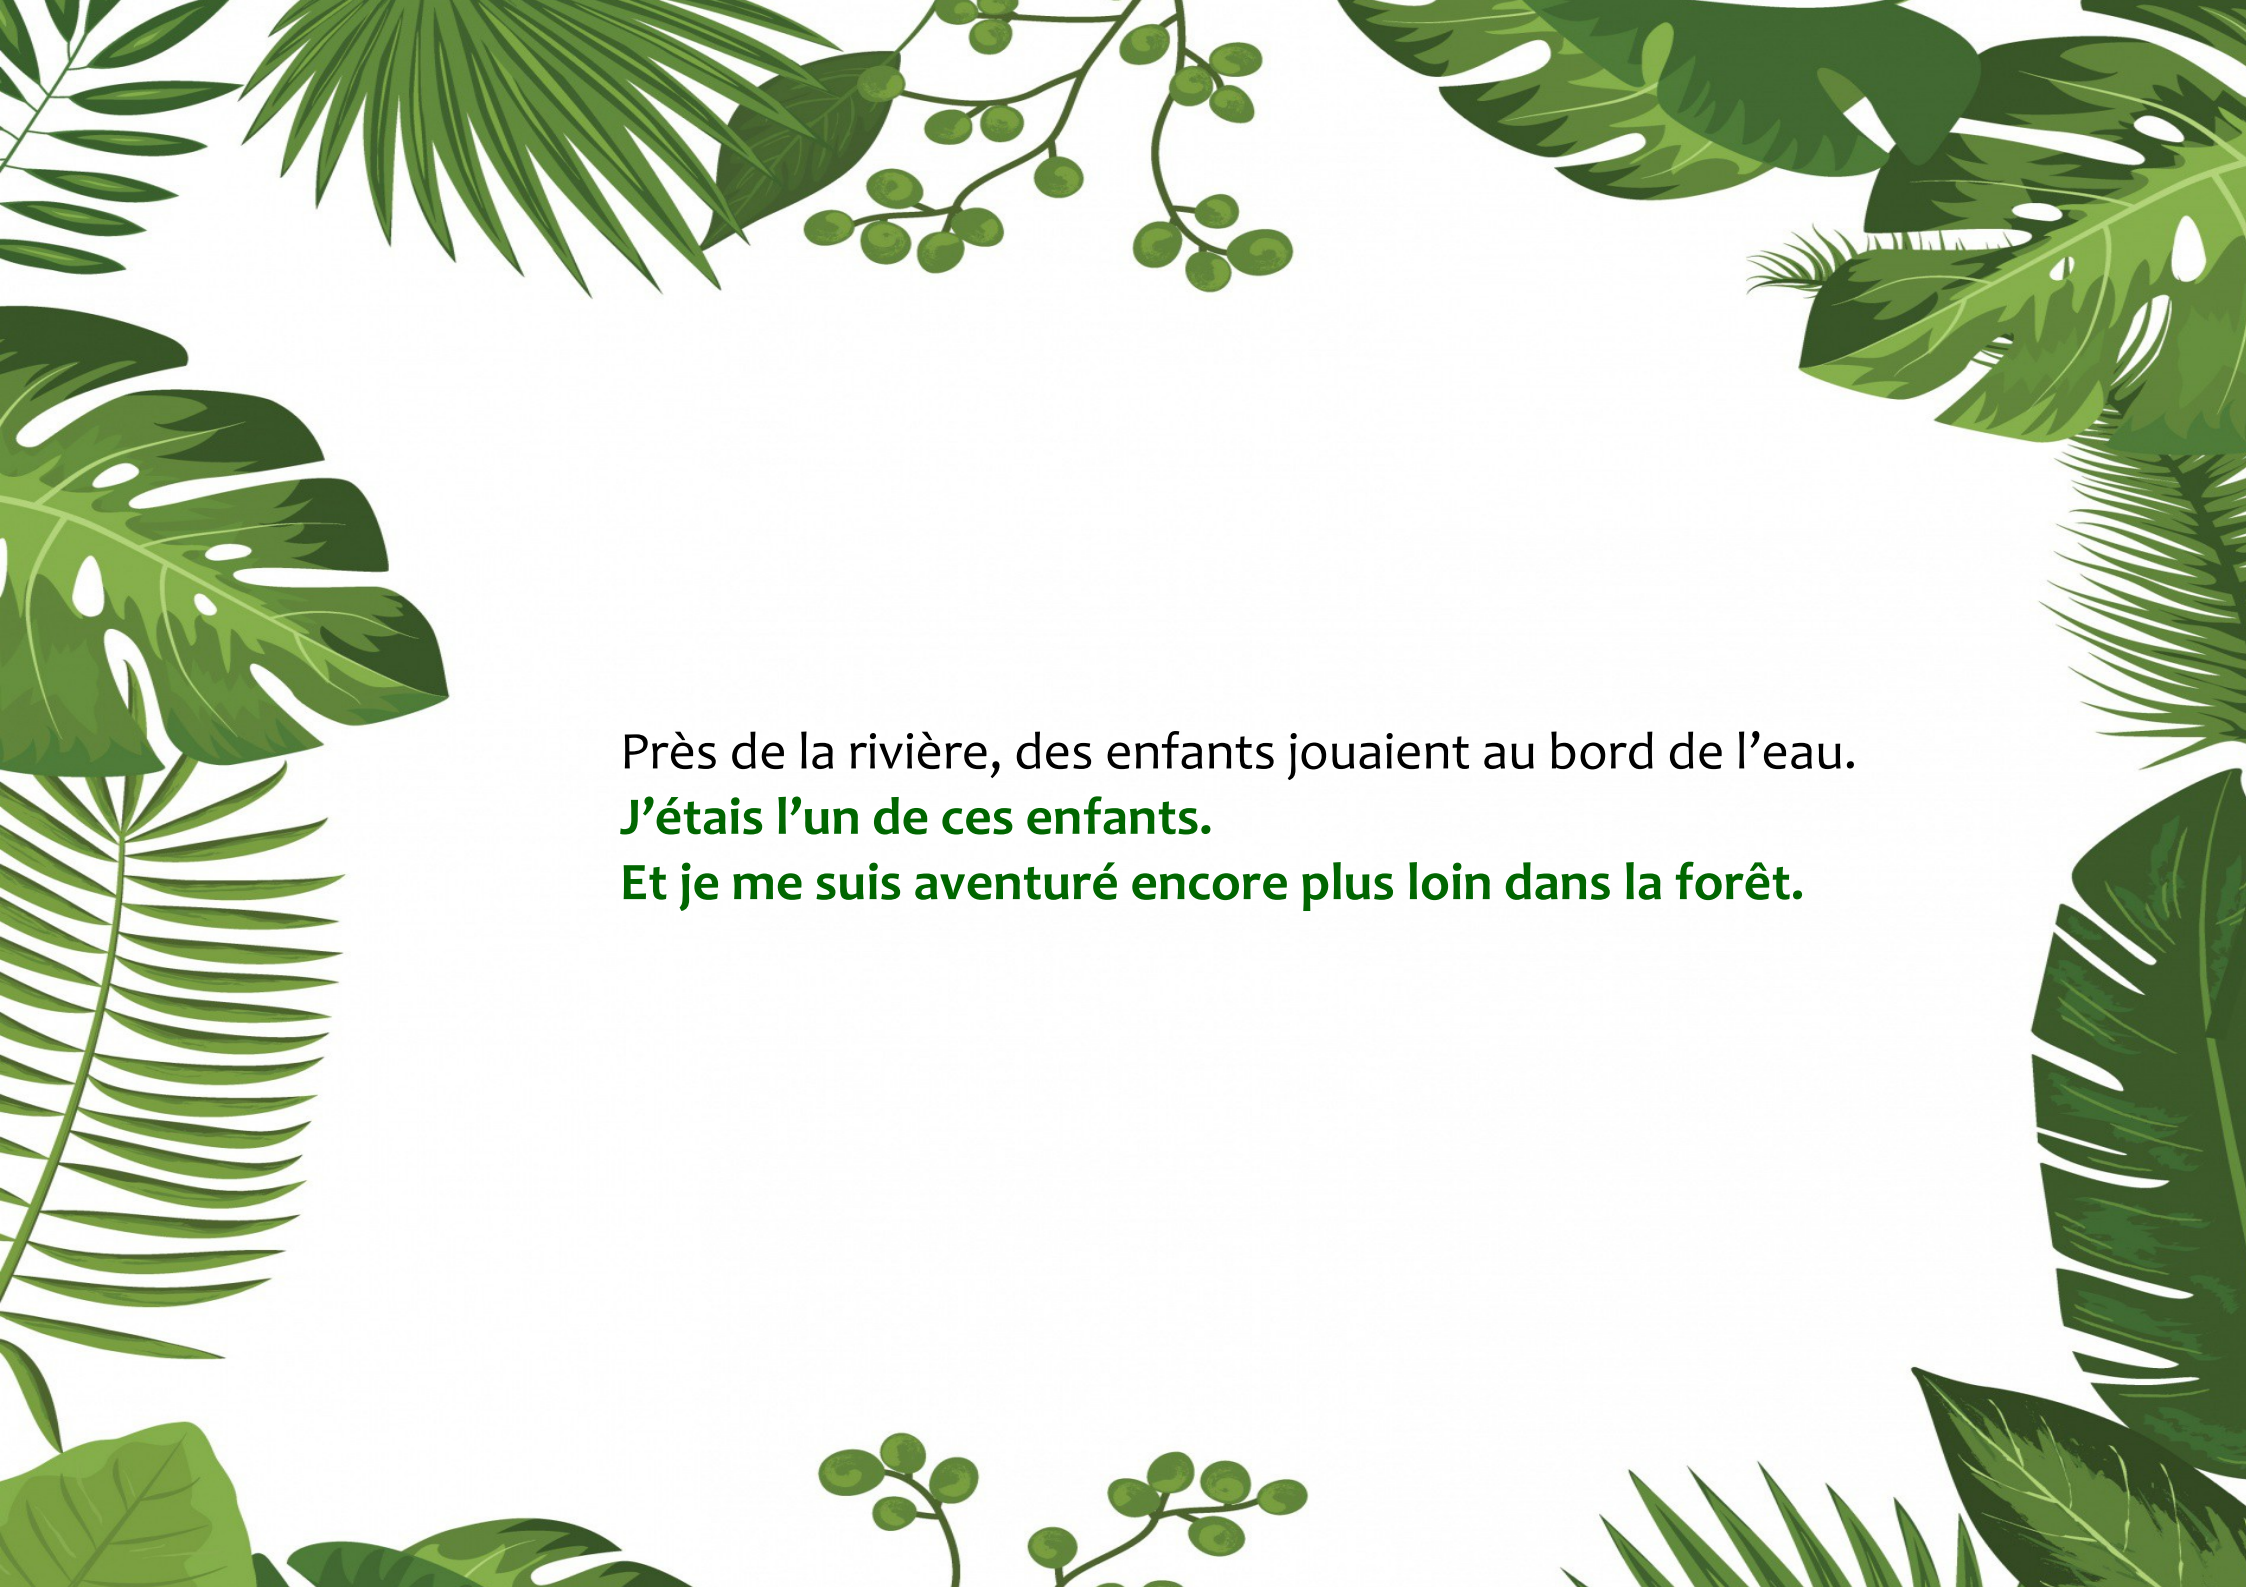

Tout à coup,
on entendit un bruit brutal.

The image features a decorative border of various tropical plants. In the top left, there are palm fronds and a branch with small green berries. The top right is dominated by large, dark green monstera leaves with characteristic holes. The bottom left shows a large monstera leaf and a fern frond. The bottom right features another large monstera leaf and a fern frond. At the bottom center, there are two small branches with green berries. The background is a light, textured beige color.

Au bord de la rivière,
un arbre tomba à cause d'une hache.

The page features a decorative border of various tropical plants. In the top left, there are palm fronds and a branch with small green berries. The top right is dominated by large, dark green monstera leaves with characteristic holes. The bottom left shows a large monstera leaf and a palm frond. The bottom right is filled with more monstera leaves and palm fronds. At the bottom center, there are two small branches with green berries. The background is a light, textured beige color.

Autour du village, il y avait plusieurs maisons.
Les hommes avaient pris toute l'herbe pour les toits.
Il n'y avait plus que de la terre.

The page is framed by various tropical plants. At the top, there are palm fronds and a branch with small green berries. On the right side, there are large, dark green monstera leaves with characteristic holes. On the left side, there are more palm fronds and a large monstera leaf. At the bottom, there are more palm fronds and a branch with small green berries.

Près de la rivière, des enfants jouaient au bord de l'eau.
J'étais l'un de ces enfants.
Et je me suis aventuré encore plus loin dans la forêt.

The page is framed by various tropical plants. In the top left, there are palm fronds and a branch with small green berries. In the top right, there are large, dark green monstera leaves with characteristic holes. On the left side, there are more monstera leaves and a large, feathery fern frond. On the right side, there are more monstera leaves and another large fern frond. At the bottom, there are more monstera leaves and a branch with small green berries.

**A la source,
loin du village, là juste en face de moi,
un tigre géant me regardait en mode de chasse.**

A decorative border of various tropical plants surrounds the central text. It includes large green monstera leaves with characteristic holes, feathery palm fronds, and clusters of small green berries on thin stems.

Un tigre géant.

A decorative border of various tropical leaves and branches with berries, rendered in dark grey and black, framing the central text. The leaves include large monstera leaves with characteristic holes, palm fronds, and clusters of small round berries on thin stems.

**Puis, il a sauté vers le noir.
Je ne l'ai jamais revu.**

Les humains ont continué leur chemin
et il n'y avait plus de couleur,
plus de vert, que du noir et du blanc.

Désormais,
c'est moi qui raconte cette histoire
au coin du feu qui tremble.
